**Empirix****EMPIRIX CORPORATION EMPLOYMENT AGREEMENT**

In consideration of my employment by Empirix Corporation, a corporation of the State of Delaware (hereinafter referred to as "the Company"), and the payments made to me as consequence thereof, I agree that I will promptly report to an officer of the Company or to such other individual as may from time to time be designated, all inventions and new ideas which I have conceived since the time of entering the employment of the Company in respect to any subject matter relating to the business in which the Company is engaging as of the date of conception of each such invention or new idea. This obligation ceases with termination of my employment with the Company.

I further agree to assign to the Company the entire interest throughout the world in all inventions and new ideas referred to in the preceding paragraph and to execute all papers and do anything necessary and reasonable to secure to the Company title therein and Letters Patent pertaining thereto including the giving of testimony in any suit if called so to do during or after my employment but all at the expense of the Company.

I further agree that I will make a written record of all inventions and new ideas falling within the scope of this agreement in the form of notes, sketches, drawings, or reports relating thereto, which records shall be and remain the property of and available to the Company at all times.

I further agree that I will not during or after the period of my employment with the Company, divulge to any unauthorized persons confidential information concerning the Company's business, technology and activities that I learn during the period of my employment.

I further agree that I will observe all rules and regulations laid down by the Government agencies relating to the safeguarding of classified

information which may be disclosed or entrusted to me in connection with any contract between the Company and the Government or any contractor with the Government.

I further agree that I will not during the period of my employment by the Company, directly or indirectly enter the employment of, or render any professional services, except such as are rendered at the request of the Company, to any individual, partnership, association or corporation who or which is a competitor of the Company, without the prior permission in writing of the Company. I further agree that I will notify the Company of any outside employment in which I am engaged during the period of my employment with the Company.

I further agree that I will not during the period of my employment by the Company, or for the 12 months following the termination of my employment, directly or indirectly solicit, encourage or take any other action which is intended to induce any employee of the Company to terminate his or her employment with the Company.

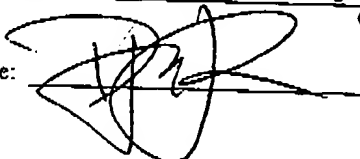

I understand that this agreement will remain in effect so long as I remain employed by the Company, notwithstanding any change in my title, responsibility, duties or compensation. I further understand that I may be asked in the future to enter a more comprehensive set of employment agreements in conjunction with a promotion, change of responsibility or otherwise.

This agreement supersedes all previous agreements between me and the Company relating to the subject matter hereof, and may not be modified on behalf of the Company in whole or in part except by statement in writing signed by the President thereof or an officer designated by him.

## EMPLOYMENT AGREEMENT

In consideration of my employment by Teradyne, Inc., a Massachusetts corporation, or any subsidiary of Teradyne, Inc., (hereinafter my employer is referred to as "the Company"), and the payments made to me as consequence thereof, I agree that I will promptly report to an officer of the Company or to such other individual as may from time to time be designated, all inventions and new ideas which I have conceived since the time of entering the employment of the Company in respect to any subject matter relating to the business in which the Company is engaging as of the date of conception of each such invention or new idea. This obligation ceases with termination of my employment with the Company.

I further agree to assign to the Company the entire interest throughout the world in all inventions and new ideas referred to in the preceding paragraph and to execute all papers and do anything necessary and reasonable to secure to the Company title therein and Letters Patent pertaining thereto including the giving of testimony in any suit if called so to do during or after my employment but all at the expense of the Company.

All inventions and new ideas that would fall within the scope of this agreement, but for the fact that they were conceived prior to my employment by the Company, may be excluded from this agreement only if I can establish, under applicable inventorship law, a date of conception prior to my entering the employment of the Company.

I further agree that I will make a written record of all inventions and new ideas falling within the scope of this agreement in the form of notes, sketches, drawings, or reports relating thereto, which records

shall be and remain the property of and available to the Company at all times.

I further agree that I will not, during or after the period of my employment with the Company, divulge to any unauthorized persons confidential information concerning the Company's business, technology, and activities that I learn during the period of my employment.

I further agree that I will observe all rules and regulations laid down by the Government agencies relating to the safeguarding of classified information which may be disclosed or entrusted to me in connection with any contract between the Company and the Government or any contract with the Government.

I further agree that I will not, during the period of my employment by the Company, directly or indirectly enter the employment of, or render any professional services, except such as are rendered at the request of the Company, to any individual, partnership, association or corporation who or which is a competitor of the Company without the prior permission in writing of the Company. I further agree that I will notify the Company of any outside employment in which I am engaged during the period of my employment with the Company.

This agreement supersedes all previous agreements between me and the Company relating to the subject matter hereof, and may not be modified on behalf of the Company in whole or in part except by a statement in writing signed by the President thereof or an officer designated by him.

## PATENT AND TRADEMARK CASES - RULES OF PRACTICE

## § 1.47 FILING WHEN AN INVENTOR REFUSES TO SIGN OR CANNOT BE REACHED.

(a) If a joint inventor refuses to join in an application for patent or cannot be found or reached after diligent effort, the application may be made by the other inventor on behalf of himself or herself and the nonsigning inventor. The oath or declaration in such an application must be accompanied by a petition including proof of the pertinent facts, the fee set forth in § 1.17(i)(h), and the last known address of the nonsigning inventor. ~~The Patent and Trademark Office shall, except in a continued prosecution application under § 1.53(d), forward notice of the filing of the application to the nonsigning inventor at said address and publish notice of the filing of the application in the OFFICIAL GAZETTE.~~ The nonsigning inventor may subsequently join in the application ~~on~~ by filing an oath or declaration complying with § 1.63.

(b) Whenever all of the inventors refuse to execute an application for patent, or cannot be found or reached after diligent effort, a person to whom an inventor has assigned or agreed in writing to assign the invention, or who otherwise shows sufficient proprietary interest in the matter justifying such action, may make application for patent on behalf of and as agent for all the inventors. The oath or declaration in such an application must be accompanied by a petition including proof of the pertinent facts, a showing that such action is necessary to preserve the rights of the parties or to prevent irreparable damage, the fee set forth in § 1.17(i)(h), and the last known address of all of the inventors. ~~The Office shall, except in a continued prosecution application under § 1.53(d), forward notice of the filing of the application to all of the inventors at the addresses stated in the application and publish notice of the filing of the application in the OFFICIAL GAZETTE.~~ An inventor may subsequently join in the application ~~on~~ by filing an oath or declaration complying with § 1.63.

(c) The Office will send notice of the filing of the application to all inventors who have not joined in the application at the address(es) provided in the petition under this section, and publish notice of the filing of the application in the OFFICIAL GAZETTE. The Office may dispense with this notice provision in a continuation or divisional application, if notice regarding the filing of the prior application was given to the nonsigning inventor(s).
